Dear _____,

When it comes to breast and cervical cancer, early detection is the key to survival. That's why I want to let you know that Governor Blagojevich has expanded the Illinois Breast and Cervical Cancer Program to cover every uninsured woman in Illinois who needs it.

This program offers free mammograms, breast exams, pelvic exams, Pap tests and cancer treatment for uninsured women. For information call **1-888-522-1282 (1-800-547-0466 TTY)** or go to **www.cancerscreening.illinois.gov**.

Your friend,

ROD R. BLAGOJEVICH  GOVERNOR, STATE OF ILLINOIS
